F.No.6-32/16-NRCPB/918715

Date 3 -08-16

CIRCULAR

The Institute is shortly moving towards the e-procurement of goods and stores. In e-procurement, the process of bidding will be done electronically from the stage for submission of bids to technical evaluation and the then financially evaluating it. Initially, the e-procurement is being initiated for all goods and stores costing above Rs.2.00 lakh. Therefore all the firms who want to participate in tenders of the Institute are advised in their interest to obtain digital signature and get them registered as vendors at NIC (National Information Centre) as there will not be physical submission of tenders bids for goods and stores costing above Rs.2.00 lakh
